

HOUSE JOINT RESOLUTION 459

By Staples

A RESOLUTION to call for a halt to state facilities outsourcing.

WHEREAS, the members of this General Assembly share a mission to provide quality state services at the lowest cost to the taxpayers of the State of Tennessee; and

WHEREAS, we have many concerns about the potential negative impacts of the contract based on RFP 32110-17103 with Jones Lang Lasalle for statewide facilities management "vested outsourcing" as well as a potential contract to outsource work at Fall Creek Falls State Park, RFP SBC Project NO. 126-036-03-2016, on thousands of employees, state services, and those local, state, and regional businesses that currently hold contracts with our State institutions; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED TENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, THE SENATE CONCURRING, that we call for a halt to statewide facilities management and state park outsourcing processes for one (1) year until the General Assembly is able to study and understand the effects on our public services, our economy, and state workers.
